

## **Orlando Emergency Signal is Hiring: Full-Time Security Alarm Technician**

Join a company where your work truly helps protect families, homes, and businesses every day.

Orlando Emergency Signal (OES) is growing, and we're looking for a motivated, client-focused, Full-Time Security Alarm Technician to join our team serving Central Florida.

### **What You'll Do:**

- Install and service burglar alarm systems, video cameras, video doorbells, and life-safety devices
- Troubleshoot and repair residential and commercial security systems
- Educate clients on system operation and best practices
- Deliver an exceptional client experience on every visit

### **What We're Looking For:**

- Experience installing or servicing alarm, low-voltage, security, access control, or related systems preferred but not required
- We welcome candidates with a strong work ethic and a willingness to learn, training will be provided for the right individual.
- Strong troubleshooting and problem-solving skills
- Professional appearance and communication skills
- Ability to work independently and as part of a team
- Valid Florida driver's license with a clean driving record
- Must be able to pass a pre-employment background check and drug screening
- A positive attitude and commitment to outstanding client service

### **Why Join OES?**

- Locally owned and operated for 19 years
- Family-oriented company culture
- Competitive pay based on experience
- Company vehicle provided
- Paid training and growth opportunities
- Work with industry-leading security technology
- Make a real impact by helping protect life, property, and peace of mind

### **About OES**

For nearly two decades, OES has provided professionally installed and monitored security solutions throughout Central Florida. We take pride in delivering exceptional service, building long-term client relationships, and creating a workplace where employees can grow and succeed.

Ready to build a career in the security industry? We'd love to hear from you.
